

Product: MaquiRx

Lot Number: S10560

Expiration: 10/31/2019

All test results are post-production and based on independent third party testing.

MaquiRx Polyphenols Purity Report

We test every lot of finished product and post the results on our website. Sure, it costs a lot of money, but our consumers deserve to know. To have Dr. Sears' name on every bottle, it has to meet his strict standards.

Concentration	Label Claim	Lot Results
Polyphenols —Powerful gene-activating agents that are found in low concentrations in colorful fruits and vegetables. Purified maqui berry extracts, rich in delphinidins and most water-soluble known, are the best way to obtain adequate levels of polyphenols on a daily basis.	120 mg	144 mg
Dr. Sears' Approval: ✓ Pass		

Purity	Zone Labs Standard	Lot Results
Mercury —Can cause permanent damage to the brain and central nervous system, as well as affecting other internal organs.	<0.1 ppm	0.008 ppm (parts per million)
Lead —Can cause neurological problems and cognitive impairments.	<0.1 ppm	0.018 ppm (parts per million)
Arsenic —Is associated with higher rates of skin cancer, bladder cancer, lung cancer and heart disease.	<0.1 ppm	0.021 ppm (parts per million)
Cadmium —Linked to many forms of cancer, and affects the human renal, cardiopulmonary and skeletal systems.	<0.1 ppm	<0.010 ppm (parts per million)
Dr. Sears' Approval: ✓ Pass		

Certified (absence of banned substances)	Zone Labs Standard	Lot Results
Performance Agents —LGC screening tests for 160 banned performance agents	Free	Free
Dr. Sears' Approval: ✓ Pass		

Zone Labs Standards—The leader in the manufacturing of high strength and purity polyphenol products. We're so confident in our product that we post the purity testing of every lot of MaquiRx online.

Why Choose Zone Polyphenols?

Improved Gut Health:

Help support the composition of beneficial bacteria, thereby improving overall wellness.

Gene Therapy:

Helps activate the body's antioxidant, anti-aging and anti-inflammatory genes.

Calorie Restriction

Without Hunger:

Help support the composition of beneficial bacteria, thereby improving overall wellness.
